Reasons for Allowance

Claims 1 4, 15, 28 and 29 are allowed over the prior art of record. An examiner's statement of reasons for allowance is given in the following:

- A placement/net wiring processing method comprising modifying a function of a placement and processing program stored in a program storage unit during execution of placement and wiring processing based on said placement and wiring processing program in combination with other limitations as recited in independent **Claim 14**, and **Claim 28**, respectively;
- A placement/net wiring processing method comprising checking a series of placement and wiring processing operated through a placement and wiring processing program based on execution history information, associated with said series of placement and wiring processing, while executing said placement and wiring processing program in combination with other limitations as recited in independent **Claim 15**, and **Claim 29**, respectively.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".

Conclusion

Any inquiry concerning this communication or earlier communications from the Examiner should be directed to Sun J. Lin whose telephone number is (571) 272-1899. The examiner can normally be reached on Monday to Friday from 9:00am to 6:00pm.
